

Build A Better Future

This exciting project will create an extraordinary place where animals are saved, where second chances are given, and where people and animals in Windham County and beyond come together to help, heal, learn, and love. Our future will be built on gifts from generous people who understand and want to support the needs of animals right here in Southern Vermont.

YOU CAN SAVE LIVES AND LEAVE A LEGACY.

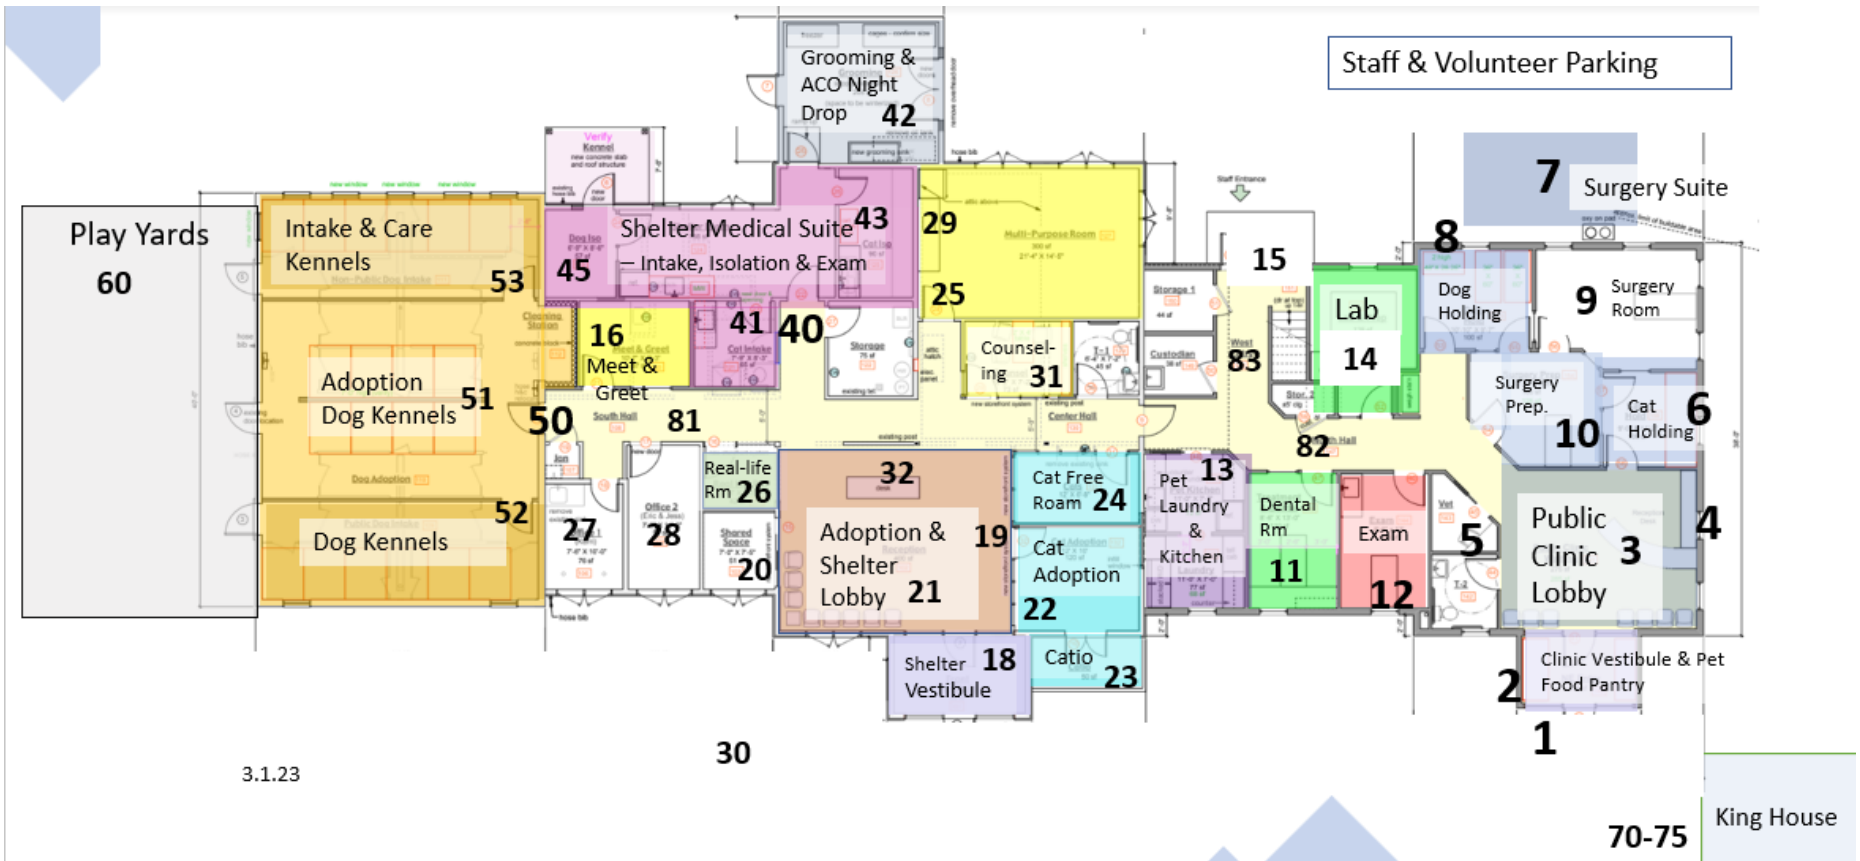

We are happy to give you a tour of the facility in progress and to discuss naming opportunities. Most pledges may be paid over three years; some may stretch to five years. Please get in touch with Maya Richmond to discuss this.

Naming Opportunities for Leadership Recognition

Leadership gifts will be honored and acknowledged on a **commemorative plaque** at the location of the naming opportunities. They will be listed prominently on the **campaign donor panel** and in communications and materials.

- WCHS reserves the right to withdraw or alter a naming opportunity if the agreed-upon contributions are significantly reduced. In such circumstances, the organization will make a responsible effort to work with the donor to adjust the terms of the gift and pursue other financing opportunities.
- WCHS reserves the right to ensure that all naming opportunity signage/verbiage created conforms to WCHS branding and that the design is consistent across various naming opportunities. This includes but is not limited to overall sign dimensions, phrasing/wording, color, fonts, signage materials, and placement.
- The duration of a name on any facility ordinarily continues as long as the facility is used in the same manner or for the same purpose for which the naming occurred. WCHS will make a reasonable effort to inform the donor in advance of the naming period being deemed to have concluded. WCHS may, but is not required to, provide alternative recognition of the previous name in or near new or renovated facilities.
